Empowering change for the next 100 years...

Embark on a transformative journey with Uplift Northwest as we lay the groundwork for the next century in Belltown. Significant advancements are underway at our Belltown Headquarters, fueled by our steadfast commitment to empowering the community through essential resources that drive economic mobility—and uphold the dignity of marginalized groups across the Greater Seattle Area.

More than a hundred years ago, our founder, Martin Johanson, acted on compassion by establishing a haven that offered meals and employment opportunities. His vision emphasized empowerment as the catalyst for change—a legacy that remains deeply embedded within Uplift Northwest today.

In recent years, we've taken a moment to recognize the individuals driving change in our community. Our Annual Empowerment Luncheon serves as a platform to celebrate their achievements and raise funds for our future initiatives. Your partnership is integral to our mission, enabling us to provide crucial support services and employment opportunities to those affected by poverty and homelessness.

Together, we're shaping a future brimming with promise and opportunities for everyone involved. Join us as we continue this journey towards positive transformation!
